DR. VALERY A. VASILJEV.- Chairman of CIC
DR. ALEXANDER A. VASILJEV.-Vice Chairman of CIC

Dear Friends Dr Valery and Alexander

I am sorry the situation of the Government from Ukraine a lot. I hope the political problems are resolved soon.

This topic is a World problem.

I have observed that our -CIC- we supports the Spanish Government's proposition to create the "UNION OF THE CIVILIZATIONS" with Turkey supports. The Government from Spain divides and it breaks into fragments Spain and it seeks to Unite the CIVILIZATIONS. ...(Spain Herald/documentations).

In the some of the POLITICS INSTITUTIONS (or better to say that there are many immodest politicians that take advantage of their situation of privilege) there is a lot of HYPOCRISY.....The Nations Unit Organization (ONU) and the program of "Petroleum in exchange for Foods"....Frequently the POLITICAL Institutions are POLLUTED..It is necessary the regeneration of the Institutions of the World.

Me, until this moment, alone I know that the RELIGIONS YES they dialogue (the Catholic Church, the Orthodox Church, the Anglican Church, the Buddhism, Induism, the Islam...) but is it what the situation of the POLITICAL INSTITUTIONS?

I think that the Union of the Civilizations only can make itself in the environment of the SCIENCE, the RELIGION, the ART, the CULTURE and the SPORT and GLOBALLY when the heart of people it is moved for the misfortunes and catastrophes.

Is it possible that our function (TO LOOK FOR SCIENTIFIC PEOPLE'S UNION) like people with scientific understanding to do of BRIDGE among the Institutions that are in charge of the spiritual education (RELIGIONS) and people that show the POLITICAL POWER and all CONTINENTS?.

I think that this DIALOGUE or Union among the CIVILIZATIONS is taking place every day among many of intellectual, religious, artistic people, sportsmen, etc of our WORLD. Only has to change the dialogue of the POLITICIANS in this topic actuality calling CIVILIZATIONS in our GLOBAL WORLD.

It is very correct the proposition of Dr Valery to the UN.

Best regards from Zaragoza (Spain)

All Sincerely Yours

Ernesto García
