**Jon Gifford**  
**Head of Research**

**Dear Sir,**

We are very pleasure to You for Your Letter “IBC Research Council Quarterly Recommendations Programmed”.

We high value Your words: "I must thank you for all the excellent work done at the beginning of the year and can inform you that many of your contacts have been included in the next editions of our titles. Well done and thanks once again !”

You have known our financial situation now (very bad). We do not find money for Civil International Committee (CIC) in Ukraine !!. May be will be better ...

I am sincere glad to successes of a World(global) Economic System, which one could go through shocks of September 11, 2001 and which one prolongs today progressive development (2,5 % in 2003 and 3,5 will be 2004; It is very well). And I ask You to see Documents NN 54 and 55 on the Web-Page [www.cic-wsc.org](http://www.cic-wsc.org) . It is our present to Nation of USA (from CIC). We may to do short study's course for managers of USA and British companies.

I have know that our friend from Lviv did not receive any letter from England and our sculptor from Mariupol did not receive any letter because I repeat our recommendations and giving new information.

With sincere and steep respect,  
Always Yours  
Valery Alexandrovich Vasiljev  
TANAIS Reg.
