Problem

Consideration of the sponsor's help Civil to International Committee on preparation of to world(global) public opinion in realization of the First World Congress of to Spiritual Unification in New York.

LISTENED: Pesident - Chairman of Azov Department of AES&E Valery Alexandrovich Vasiljev, which one has said": After creation in November, 2001 of Committee on preparation of to world(global) public opinion for realization of the First World Congress of to Spiritual Unification in New York it i necessary to us to make the second not less significant step for maintenance of to stable running of this civil international organization. To make this step we dog after to beginning of implementation of the project of our First Vice-Chairman Civil of International Committee (CIC), Dr Ernesto Garcia, which one managed to believes you in Spain group of the adherents and to believes you Web Page CIC. It i the most perspective project, I am very glad to participates you in which one. All of us do(make) utmost for its development and sincerely pray for its Father-Dr Ernesto Garcia. The beginning of implementation this major for intellectual(intelligent) elite of to world of the project allows us today i severe to think of the new projects, which one plows necessary for executing(coming true). But It i very much difficult(complex) to make necessary for all people of the Earth of the things without financial support. I offer to transmit all means, which one plows on the currency score of our Azov Department of AES&E to account Civil of International Committee (CIC), and also I offer to render and organizational help Civil to International Committee by realization of all financial transactions on raising of money for implementation of the schedules CIC on the currency (\$) score of the Azov Department of AES&E. It i possible because CIC the same public organization ace well ace jAzov Department of AES&E. The main(basic) purposes CIC the main purposes of coincides Azov

Department of AES&E, which one we planned to realize at international cooperation. It is necessary to mark, that those positive changes, which one happen now in Ukraine on scrambling to shadow economy allow us to truly open and effectively to use to banking system of Ukraine for realization of raising of money and their exact usage. " Have acted: Vice-president of Azov Department of AES&E Alexander Valerjevich Vasiljev, which one has said": I completely agree with the Chairman in an estimation of the situation and necessity to begin the assembly(collecting) of sponsor's means. We shall offer our First Vice-Chairman CIC Dr Ernesto García to believe you on Web Page CIC the open you are considered of our Committee for the capability of all world community to see where the means of all sponsors CIC will be directed(directional). It will be consolidated by(with) authority of our organization among all honest people of the World. I attach importance to try to show all current changes to best in Ukraine. You perceive, that if the banking system of Ukraine will allow normally to operate you to our currency (\$) score for implementation of raising of money and payment of the projects CIC, it will be by the most powerful proof for all world, that the changes really happen in Ukraine and Ukraine becomes true by to democratic state with to normal banking system. "

Scientific secretary of Azov Department of AES&E Marina Genadievna Tuzovskaya, which one has backed up the proposal on transfer(transmission) of means on the currency (\$) score of Azov Department of AES&E for the benefit Civil of International Committee (CIC).

Have decided:

1. To transmit all means, which one plows on the currency (\$) score of the Azov Department of AES&E to account Civil of International Committee (CIC) and to render and organizational help Civil to International Committee by realization of all financial transactions on raising of money for implementation of the schedules CIC on the currency (\$) score of the Azov Department of AES&E.
2. The positive changes, which one happen now in Ukraine on scrambling to shadow economy allow us to truly open and effectively to use to banking system of Ukraine for realization of raising of money and their exact usage.
4. To appeal for(ask) First Vice-Chairman CIC Dr Ernesto García to believe you in Web Page CIC an open page, on which one to place the open is considered of all receipts(entries) and consumptions CIC.
