Photos The memory of Chairman The Civil International Committee (CIC)

On 12 December to the 78th to year left from the life scientist the world name - Chairman of Civil International Committee on the preparation of Wide World public opinion for conducting of the First World Congress of Spiritual Unity, the academician of the Academy of economic Sciences of the Ukraine, the professor of University "Ukraine" V. Vasiljev

(briefly)

Valery Alexandrovich Vasiljev passed the large, impressive working scientific way, which the economic community of the Ukraine noted at the fourth Plenum of the Union of the economists of the Ukraine in Lutsk on 10 June, 1999. Then many good words were said by the President of UEU, by academician G.Dzisev. In the 60's of V.Vasiljev was obtained moral's support from the outstanding economists of Wide World (Mr. Tereshchenko and Mr. Leontjefa) and its allowed to begin to create the objective economic school, which is based on the Law of Preservation of Labour opened by him. There was then large fight for the development of academic traditions in the Azov Region and was the appreciation of reports and publications the professors of England, France, USA and other countries. That High scientific and public activity of was evaluated very High by World Community and into 2001 Doctor Valery Alexandrovich Vasiljev became the Chairman of Civil International Committee on the preparation of Wide World public opinion to conducting the First World Congress of Spiritual Unity. And today You are possible on to see the work of Committee on the pages of the electronic periodical www.cic-wsc.org , after becoming acquainted with 397 documents. Therefore the political department of the Ministry of Foreign Affairs of the Ukraine during September 2006 wrote to Valery Alexandrovich: "We are assured that the public activity of your committee in the region of aid to people, with respect to which are achieved terrorist attacks, the support of the high- moral style of life and intellectual- spiritual leaders in the world, the support of democratic processes in the Ukraine, the development of international scientific collaboration and the protection of human rights contributes to the solution of global calls to humanity". Much did not have time to make a member of Society 1817 "Heritage" of New York Academy of Sciences, the author of the Law of Preservation of Labour and the member of International Biographical Center in Cambridge, Valery Vasiljev, but we will try to continue his service to people.
