

DISSOLUTION OF THE SYSTEM

JESUS THE CHRIST

Beloved sisters and brothers, the dissolution of the system has begun. Come under my Light, nourished by my Love and place yourselves under my protection, because truly I tell you, whoever trusts in me is under my protection.

I AM Jesus the Christ. Time has unfolded all the power of it. Now everything is coming to the surface, in such a way that the dark plans fail one after another and have to be interrupted and withdrawn.

People are waking up in a big way and already see the malice behind the many political, economic and health measures that have been implemented under false pretenses. On all levels, those who believed in this system to the end, because they were trapped in fear or benefited from it, are beginning to fall out of the system.

For the first time in the history of Humanity, enough people unite with the will to direct the destiny of humanity towards a bright course. The darkness is illuminated and what is revealed regarding the old system is shocking. For those who did not want or could not see it until now.

The deceit was absolute and the malice unsurpassed. Now the magic behind it all is being exposed. Now what has been hidden for millennia is coming to light. And how can one prepare to face it? Well, through a loving attitude towards all life. Never seek revenge and do not give hate a chance to permanently expand within you. Emotions such as anger, rage and hatred will boil and that is natural in the first phase of the great revelations, but then return to your center and restore peace in you.

There are horrors that are so unimaginable to a sane person that the moment they become visible, people cry out for revenge. An eye for an eye no, never join that chorus, stay away from those reflex acts. If emotions of revenge surface in you, clarify it immediately with your Spirit Guides and ask for the Divine Light to intervene. Never return an eye for an eye.

The desire for revenge lies in many people and it will increase when the Light reveals everything that has hitherto been hurting this humanity in secret. The beings who have served the powers of the cold light, knowingly or unknowingly, will fall under the weight of their responsibility, but please, in the name of the ONE, which is GOD, renounce any kind of retaliation or revenge.

Blood must never be shed to obtain compensation. With that, you just get the exact opposite. The continuity, life after life, in the cycle of death and rebirth, in the cycle of cause and effect. In the coming months you will be able to practice detachment from things, without ignoring the facts and without being affected.

You have the opportunity to show your true power as a human being. The power to lovingly face those unfortunate creatures that are now being unmasked thanks to the power of love. Only in this way can the earth and this Humanity be healed. The most important thing now is to get out of the old energy of separation, division and karma and reunite with all beings in the consciousness of the unity of all life.

You are much more than a human being, you are an angel sent to earth to remind others of their true nature and that work is happening now, because the time has come.

Events take their course.

very lovingly

Jesus the Christ
