Beloved cosmic family. Welcome to the WE ARE ONE Channel. I bring messages from the Hierarchies of Light. Message from the Arturus star system. Greetings I am Juliano from the Arturus star system. I know that you have been in quite intense activities working hard in the service of Mother Mary. We have always been at the service of this planet. Of its process always from the Light and from the love that characterizes all of us Arcturians and that we keep that great love for planet Earth.

It is our great mission to assist them, to help them in everything we know and know. Just like you, we are Christ Beings. The only thing is that we have already integrated into our Avatar and live in the energy of the already integrated Christ Beings. But you are already on this path and soon, very soon, we will all be in this same integration. all connected.

We assist them in technology. We give you a lot of technology. Our ships are at the service of healing, also at the service of Ascension. We have worked hard

on Earth for years. Working with the energy of crystals on the planet. Our world will also integrate and be part of this entire network of planet Earth because this entire ascended world of Father-Mother-Adonai will become a single world that you will integrate.

We are already in a different world, but you will integrate into this world, where there will be no more barriers, where there will be no more disagreements. Will the evolutionary process continue? Yes because we are all in complete permanent evolution and we help each other. Just as we evolve and advance, we help the planet and so you will also do with other worlds once you integrate the entire universe of Light, to higher dimensions, to other dimensions, to other realities.

How beautiful will be the moment when we can all hug each other, we can all share each other and share this world of Light and Love of our CREATOR. It is wonderful and your planet is already at this point of no return to this process of integration into the worlds of Light. We are still assisting them and helping them get out of that pipeline that sucks them in. But we are all there, the entire INTERGALACTIC CONFEDERATION of FREE WORLDS and the entire HIERARCHY helping and assisting. It's almost there. We have all redoubled our efforts. because we know that there are always detractors who manage to hinder, to hinder, but there we go pulling, pulling so that the Earth advances and continues. The Sun, and the entire System, is in a fairly active situation. All this solar activation reaches the planet to help, to cleanse, to awaken the most sleeping children of the Light of Father-Mother. All! Go ahead brave! We are almost there and all the commands are at the service of this great FATHER/MOTHER/ADONAY project. There is nothing to fear.

We know the influences of the Nemesis system but it is to help, to assist in this process. What we do is, a little lessen its effects so that it is done in a more gradual way.

But the time will come when the GREAT FLASH will be unleashed and everything will change, from one moment to the next, reality and we will be there with you in a world of light and love sharing this new planet, this NEW WORLD.

I am Juliano. I say goodbye with Love. Keep going brave. It's almost there and we're all here. I am Juliano, from Arturus. Message through Emmanuel and Shepherdess. Dear family of Luz. Thank you for listening to our messages and remember that the Fifth Dimension is a vibrational state and that the choice to vibrate on the NEW EARTH is personal and implies an internal awakening. A process of raising one's own vibrational frequency. It is a journey of self-discovery and connection with the Divine within each of us. A transition towards a state of love, harmony and unity.

*We wish blessings in your life Thank you, Thank you, Thank you
