Your Holiness,

By me 12.06.2007 of L'vov were sent by the custom-made letter (receipt 167093) request consent to audience. Cases occur, that some letters from the Ukraine never and anywhere leave. Therefore I wanted to transmit to You its letter through the office of Greco- Catholic Church in L'vov, which is located in the Cathedral of Saint Jura Mountains but nun 12.06.2007 to me it gave Your official post address she said that my letter to You compulsorily will reach. Greatly I hope for the realization of her words.

I want to only note that the basic material "**Honest Person in XXI century in the depth of soul must be Christian and respect the Catholic Church**", which was applied to my letter to You, already exists on our Web-Page www.cic-wsc.org Document 347 ([Document 347.- To days Europe - Auguste Renoir](#); Document 346.- **Chaadayev Peter Yakovlevich** (1794-1856)).

We sincerely pray God to accept the Soul of Geat European and Citizen of the Wide World Guy de Rothschild.

Sincerely

All Yours Alexander Vasiljev-Muller
