TANAIS REGION

In Unit 15 have given basis OUTCOMES of a Labour of Mariupol's Academician School in field of economics. Daniel Kahneman and Vernon Smith of Nobel's Primes were full right when they had made their researchers in field of social –psychology for economy. And they with Alexander King and Bretranda Schneidera have made for European Integration much more then hundreds politics because they supported of the people by own real ideas and Great Labour. Chiefs of European Commission are making much real things for development of the democracy in East Europe. We are all very thanks a lot to him for it. We were all deeply grieve over anticipatory maintenance from life of the talented and outstanding Woman of European Union, minister of Sweden Anna Lind. We asked the GOVERNMENT of Sweden fifty percents of the fee from publication of our articles to route for creation of MEMORY of the outstanding Person, Anna Lind. That all is sincere compassion to Dear for us to the Great European Nation. Hundreds scientists of Europe have created the positive conditions for authors of the Law Preservation Labour and Law NON-Destroy of Spiritual-Intellectual Labour and we recommended theirs to ABI and to IBC. We believe St. Ignatius will be supported all Good INITIATIVES in the World and the Report of Mariupol's Bishop Nikolay Markovski is of the Real Step to the Better Future. We hope Chiefs of CAPA PRESSE TV of France will be to answer to First Vice-Chairman CIC, Dr. Ernesto Garcia. Look Web-Page CIC <http://www.cic-wsc.org/> .
