THE REQUEST

Dear Sir,

We route you the PETITION to operations of official Departments of Ukraine, which are transgressing «the Convention on Human Rights », which one is ratified of Supreme Rada Ukraine.

We directed the letter to the Extraordinary and Plenipotentiary Ambassador of USA of Ukraine to Mister to John Herbst 26.09.2003 years, which one had received in Embassy of USA in Ukraine 30.09.2003 years (there is an assurance of receipt for № 3 with paintings of the convener about receiving). In the letter we informed mister of the Ambassador on creation of Civil International Committee and about expediency of our meeting with him.

But any answer behind a signature neither mister of the Ambassador, nor worker of embassy of USA we till now have not received.

We also directed the letter to the Extraordinary and Plenipotentiary Ambassador of USA of Ukraine to Mister to John Herbst 6.11.2003 years, which one had received in Embassy of USA in Ukraine 10.11.2003 years (there is an assurance of receipt for № 82 with paintings of the convener about receiving; the receipt of dispatch of the registered mail for № 7015 from 6.11.2003). In the letter we informed Mr. Ambassador on our guidelines in International Biographic Center of Cambridge, England, and also appealed for(asked) to transmit a copy made the guideline to the citizens of USA.

But any answer behind a signature neither mister of the Ambassador, nor worker of embassy of USA we till now have not received.

We also directed the letter to the Extraordinary and Plenipotentiary Ambassador of USA of Ukraine to Mister to John Herbst 12.03.2004 years (there is a Receipt of dispatch of the registered mail for №9226 from 12.03.2004). In which one we appealed for(asked) mister of the Ambassador to transmit our congratulation on behalf of Civil International Committee to a Managers of USA in connection with successful implementation of the project on research of Mars, and also the Report of Azov Department of AES&E, IESCR and CIG for № 16 was sent to mister to the Ambassador, with the contents which one we wanted to acquaint Mr. of John Herbst.

However, any answer neither from mister of the Ambassador, nor hand of the worker of embassy of USA we till now have not received. In last letter by us was specially underlined, that for want of the answer from the workers of Embassy of USA in Ukraine we shall address in European Court on the Human Rights with the petition to delay of the correspondence.

We are sure, that mister Ambassador of USA in Ukraine answer on one of three calls of the Chairman of Civil International Committee and his assistant can. Only by delay of the correspondence or the full absence of the letters in Embassy of USA in Ukraine from us It can be explained. We have not received any letter from Embassy of USA in Ukraine.

We have bad experience, when such delay of the correspondence was carried out in 2000 and in Embassy of USA in Ukraine nothing knew about our letters, despite of receiving by us of the assurances of receipt to the Embassy of USA in Ukraine.

Therefore we ask you to restore validity (legality) and to demand of State frames of Ukraine of observance(holding) «the Conventions on the Human Rights», which one was ratified of Supreme Rada Ukraine.

We ask to insist to, that our letters were transferred(handed) to mister to the Ambassador of USA of Ukraine to John Herbst, and his answers were transferred(handed) to us.

Sincerely,

Alexander Vasiljev

Mariupol, Old Kremnes

Мы направляем Вам ЖАЛОБУ на действия государственных учреждений Украины, которые нарушают «Конвенцию по правам Человека», которая ратифицирована Верховной Радой Украины.

Нами было направлено письмо Чрезвычайному и Полномочному Послу США в Украине Господину Джону Хербсту 26.09.2003 года, которое было получено в Посольстве США в Украине 30.09.2003 года (имеется уведомление о вручении за № 3 с росписью уполномоченного о получении). В письме мы информировали господина Посла о создании Гражданского Международного Комитета и о целесообразности нашей встречи с ним.

Но никакого ответа за подписью ни господина Посла, ни работника посольства США мы до настоящего времени не получили.

Нами также было направлено письмо Чрезвычайному и Полномочному Послу США в Украине Господину Джону Хербсту 6.11.2003 года, которое было получено в Посольстве США в Украине 10.11.2003 года (имеется уведомление о вручении за № 82 с росписью уполномоченного о получении; ; Квитанция отправки заказной корреспонденции за № 7015 от 6.11.2003). В письме мы информировали господи Посла о наших рекомендациях в Международный Биографический Центр Кембриджа, Англия, а также просили передать копию сделанных рекомендаций гражданам США.

Но никакого ответа за подписью ни господина Посла, ни работника посольства США мы до настоящего времени не получили.

Нами также было направлено письмо Чрезвычайному и Полномочному Послу США в Украине Господину Джону Хербсту 12.03.2004 года (имеется Квитанция отправки заказной корреспонденции за № 9226 от 12.03.2004). В котором мы просили господина Посла передать наше поздравление от имени Гражданского Международного Комитета руководству США в связи с успешной реализацией проекта по исследованию Марса, а также был отправлен господам Послу Бюллетень АО АЭНПД, ИЭСКИ и ГМК за № 16, с содержанием которого мы хотели ознакомить г-на Джона Хербста.

Однако, никакого ответа ни от господина Посла, ни за подписью работника посольства США мы до настоящего времени не получили. В последнем письме нами специально подчеркивалось, что при отсутствии ответа от работников Посольства США в Украине мы будем обращаться в Европейский Суд по Правам Человека с жалобой на задержку корреспонденции.

Мы уверены, что не может господин Посол США в Украине не ответить ни на одно из трех обращений Председателя Гражданского Международного Комитета и его заместителя. Только задержкой корреспонденции может быть объяснено полное отсутствие писем из Посольства США в Украине в наш адрес.

У нас есть печальный опыт, когда такая задержка корреспонденции была осуществлена в 2000 году и в Посольстве США в Украине ничего не знали о наших письмах, несмотря на получение нами уведомлений о вручении их работникам Посольства США в Украине.

Поэтому просим Вас восстановить законность и потребовать от государственных структур Украины соблюдения «Конвенции по правам Человека», которая была ратифицирована Верховной Радой Украины.

Просим настоять на том, чтобы наши письма были переданы господам Послу США в Украине Джону Хербсту, а его ответы были переданы нам.

March 8, 2004.

Mr John Herbst**

Dear Sir,

The activity of our Civil International Committee (CIC) leaves on a new level due to implementation of the project of the First Vice-Chairman CIC, Dr Ernesto Garcia (Spain), which one already informed all carrying on news agencies of a world on creation Web-page of Civil International Committee www.CIC-WSC.org (see appendices).

We consider(count) indispensable to discuss fundamental issues of our activity with carrying on political and public figures of a World. Specially, it is necessary to discuss a complex actual intelligently - spiritual of shares, bound with counteraction(reaction) to international terrorism, degradation of the moral bases(fundamentals) and loss of confessor in locales of a series of countries.

Just, the concrete socially-economic minings Mariupol academic objective& - labour economic school also are directed(directional) on counteraction(reaction) to these negative tendencies, which one we aim actively to keep (look positive conclusions). But it only minor part of that circle of problems, which one require(demand) discussion.

Therefore we shall to You be grateful, if, despite of the tight operating schedule in Ukraine, You can find time for an occurring with us and discussion of problems, which one require(demand) Your knowledge and experience, and also fast solution.

Yours faithfully,

**Extraordinary and plenipotentiary
Ambassador of USA of Ukraine
Mr John Herbst**

Dear Sir,

We with you live in very composite, but interesting time.

The world by 1950 has overcome the danger untyings global conflicts.

The world managed to overcome a paralysis of pavor by 1986 which is holding down the initiative of the whole peoples in an acute phase of cold war.

Today world has overcome hazard of a global terror started September 11, 2001 and stopped to January 20, 2003, due to bravery of the President and Prime Minister (Report "State of Union").

However consequences of information wars, which one frequently carry out(conduct) some mass media, are not overcome yet in consciousness of many groups of the population of the states of East Europe. Many negative qualities have assigned to the President of USA George Bush, to the prime Minister of England Tony Bler, Chiefs of countries of West and even to the chiefs of religions (personally John Paul II) etc. There is no objectivity in estimations frequently even in official issuings.

Therefore fact of a positive impartial assessment of a role of the person of the President of USA George Bush, and also John Paul II on the part of member of exploratory Advice of International Biographic Association (Cambridge, England), member of a Research Board of the Advisers of the American Biographic Institute (North Carolina, USA) VALERY ALEXANDROVICH VASILJEVEBA - is very relevant, as actual and well-timed PRECEDENT of worthy imitating, which one in practice reduces(descends) psychologic barriers of misunderstanding and confrontation.

Main today is that the management(manual) of Civil International Committee already has evaluated this step (look the Letter of First Vice-Chairman CIC, Dr Ernesto Garcia, Spain). We are convinced, that this Precedent will have followers in all states of Europe.

The psychologic atmosphere in a world steadily changes to best. But to change its the people feeling the responsibility for all of a civilization owe. In itself nothing happens. The intelligently- spiritual Labour of hundreds Outstanding Persons is indispensable targeted. And despite of activity of dark forces, the number of the free and easygoing people grows in all countries.

We on the experience know, how for the working person the moral support is relevant.

We are sincerely grateful to our colleagues in Spain, England, Francium, USA, Francium, Poland, Indium, Canada, Australia, Italy, Greece, Serbia, Germanium, Argentina for those efforts, which one they have expended and expend on moral support of our ideas and initiatives.

Therefore we ask to transmit our guidelines to the President of USA George Bush. Let this Outstanding Person know, that he sincerely supports even in East Europe.

Also we shall be grateful to you, if, despite of the tight operating schedule in Ukraine, you can find time for an occurrence with us and discussion of problems, which one requires (demand) your knowledge and experience, and also fast solution.

Yours faithfully,

Alexander Vasiljev
