

# Agreement:MVM Symposium 2004

Dear Friend Dr Miroslaw,

I am very glad that I received the agree from my Chief, Vice-Rector University of Odessa, prof. Svetlana Dmitrieva on my idea about Agreement of University with Your University. I received GOOD 29/09/2004 in 18-00. I think it is very important Step for all us. Only after Your Letter to me and Your materials about Your Symposium in 2004 (all materials I gave to my Chief ). National University of Odessa is very old. It was opened in 1865. It have 156 prof. & Dr. It was in Project of TEMPUS-TACIS, INTAS.

I think that it is very important Rector of National University is real member of National Academy of Sciences of Ukraine, Prof. Valentin Smyntyna. I have meeting with Rector of University and may say He is real SCIENTIFIC. It is very important for Future Agreement.

I hope You will be understand me. I have 49 years now and very well understand that more my life I have lived. I want to do need work for Ukraine and Natal Serbia because I begin to find the ways for Agreement of National University with Your University. I know It will be need Agreement for Scientifics and Students of Serbia ! And I am very pleasure for Your support. Sincerely All Yours  
Alexander Vasiljev Odessa, National University name I.I.Mechnikova 1/10/2004
