

CIVIL INTERNATIONAL COMMITTEE /CIC/

**on preparation World public opinion to execution
of First World Congress of Spiritual Unify in New York**

**To President of the Commission of the Continental Alliance, Mr Peter Balkine and to
the Members of European Parliament
To the President of the USA, George Bush
To the President of Russia Vladimir Putin**

4.12.2004

EXCELLENT GENTLEMEN!

On behalf of *Civil International Committee on the preparation of world public opinion for conducting of the first World Congress of spiritual unity in New York (2001: -)*, the *Azov Department of the Academy of Economic Sciences and Owner's Activity (AO AENPD)* and the *Academic Council of the Institute of Economical- Sociocultural Studies (consistently of Donetsk Experimental Scientific Methods Center DNTS AN of the Ukraine)* we express to you sincerely appreciation for the moral support of democratic processes in the Ukraine. Your support to Ukrainian DEMOCRACY contributes to the consolidation of all healthy forces in the Ukraine and more soon the process of Ethnic-sociocultural increase in the most important and earliest state of Europe. Your position makes with possible in 2006. to finish celebrating in the Ukraine 1665 (thousand six hundred sixty five) years the base Christian church, because of the adoption by the ancestors of Ukrainian cossacks by the Hittite- Goths of the great study of the rescuer (see [www.cic-wsc.org Documents 65 and 66](http://www.cic-wsc.org)), as the actually good of news, but not as the policy of just time worship to the highest forces, on the basis of the tactical purposes of power contest in the appeared peace. And we hope that the earliest seaside cities and the intellectual- spiritual centers of our civilization into the Black Sea area - Odessa (Ginestra-Ordessos"), Sevastopol (Khersones"), and into the Azov region - Mariupol (Kremnes"), Taganrog (Tana-horn-Hupache) still will say their weighty word in the economy of new democracies of East Europe (see [www.cic-wsc.org Documents 54, 55, 15, 22, 23, 27](http://www.cic-wsc.org)), in their intellectual- spiritual building (see [www.cic-wsc.org Documents 75, 58, 49](http://www.cic-wsc.org)). We are deeply convinced of the possibility of the balanced intellectual- spiritual increase in our entire civilization (see [www.cic-wsc.org Basis Documents](http://www.cic-wsc.org)) in the conducting in the nearest time of the first World Congress of spiritual unity in New York (see [www.cic-wsc.org Documents 85, 81, 50, 80](http://www.cic-wsc.org)).

With the deep and sincere respect,

Valerie A. Vasiljev
